EduNinza Tech Pvt. Ltd. Sector 8, 157, Indira Nagar, Lucknow, UP, India, 226010

THE PROBLEM & SOLUTIONS (RELATABLE)

- Manual registers & paperwork
- Scattered academic & admin data
- Delayed fee collection & follow-ups
- Communication gap with parents
- No real-time visibility for owners
- Difficulty tracking performance

EasyEduLab

Let's Digitize and Digitalize Academia

One Platform Complete Control

EasyEduLab brings academics, administration, communication, and analytics into one simple, powerful system – accessible anytime, anywhere.

- ✓ Centralized Dashboard
- ✓ Mobile App for all users
- ✓ Real-time Reports & Insights
- ✓ Multiple Reports, ID cards

Managing a school the old way feels **overwhelming?**

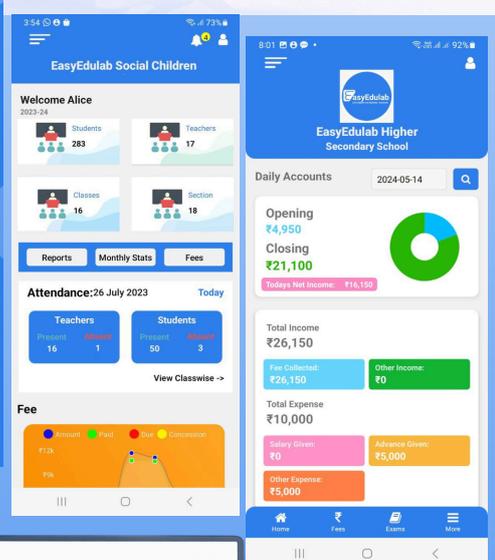

Not with **EasyEdulab** >>

Switch to the best school **ERP software** to streamline operations.

TRADITIONAL APPROACH

Web & Mobile | Scalable | 50+ Modules | Secure Cloud-based

Transport with GPS TRACKING

Fees, Attendance, Notices via Text- SMS, WhatsApp Messages

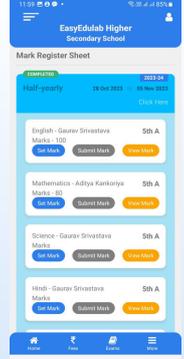

Communication

Fee

Real-time academic updates
Progress Report
Clear performance insights
 Message from Miss Sharma: "Hi, Please review the assignment details. Let's discuss."

Exam & Results

Easy, quick assessment and publishing of the date sheet, admit card, and exam results. Instantly send exam result alerts & notifications to parents

Communication/SMS

Notify parents, students, and teachers about the latest information. Send out targeted information to parents/students about events, fee dues, etc.

Fee Manage

Manage the entire fee process, from setting the fee structure to accepting payments, sending dues reminders, issuing fee receipts, and generating various reports that help increase fee collection productivity.

Teacher Plan

Plan and perform teacher activities effectively like class routine, attendance, and syllabus coverage with a single click.

Accounts Management

View income & expense transactions for all accounts under Transaction reports. Easily student & daily transaction report, also summary report & much more
